

Evaluating Monetary Policy

Norges Bank's Conference on Monetary Policy 2006

30 March 2006

Norges Bank's conference on monetary policy 2006, which is held in connection with the publication of Norges Bank's Annual Report for 2005, is devoted to the assessment of monetary policy. The first part will have an international and broad perspective focusing on general issues and the challenges to monetary policy that lie ahead. The second part focuses on the conduct of monetary policy in Norway.

Attendance by invitation only.
