	VPO LOM account are transferred to the main account.	
Approx. 16:45	A new settlement day in NBO is opened and Straks LOM account is opened for changes of amounts on deposit as collateral for instant payments in NICS Real	

Norges Bank may deviate from the ordinary operational schedule in special cases such as emergency situations and during periods of the year. Any planned deviations in the operating schedule will be announced separately.

*

FOOTNOTES

1. In the event of delays in the VPO-clearings from VPS, Norges Bank will lock the liquidity on VPO LOM accounts by 06:54 for VPO 1, by 12:29 for VPO 2 and by 14:59 for VPO 3. This is done to avoid that deposits on VPO LOM accounts are transferred to another account before VPO has been settled in NBO. Thus, deposits in VPO LOM accounts will be available until the deadlines for settlement of VPO 1 at 09:45 and VPO 2 at 13:00. No deadline has been laid down for settlement of VPO 3.
2. Cf *Rules for clearing and settlement of transactions in the Norwegian Interbank Clearing System (NICS)*, laid down by the Bits AS.
